

SYNTHETIC QA SUPPORTING DOCUMENT

Software acceptance fixture only. NOT a manufacturer document, product approval, specification or certification. No physical product, installation or purchase is represented.

Purpose: Exercise the Opening Intelligence owner-admin approval route and purchasing review (review-only; nothing is sent or ordered).

Backend: fdudsigbxumcpbxxxerb (private release candidate, nonproduction)

Opening: SYNTHETIC-QA-RELEASE-PURCH-ELIGIBLE-20261001

Component: Closer — manufacturer "SYNTHETIC ACCEPTANCE", model "QA-ELIGIBLE"

Provenance value recorded: oi_established (synthetic)

Prepared: 1 October 2026, OI customer-release acceptance

Valid for: This synthetic acceptance record only

If this document appears anywhere other than a synthetic acceptance record, treat that record as invalid.
